**About John** – Professional, and conference speaker who has written two books on the emerging wave of Marketplace Ministry. John is a successful chemical engineer and served as a manager in a large corporation. He was also a pastor for 13 years and the founder of two churches.

John was raised on a ranch in Montana and obtained his Bible College degree. His work is fueled by a deep desire to help people connect with their life's purpose and experience the satisfaction of God's favor and the joy of helping other people.

**"Kings"** is the term we use to describe entrepreneurial men and women who harness wealth and influence in the marketplace... in business, government, finance, the arts... to "bless the Nations." *Releasing Kings* and *Desire to Destiny* are the titles of our books – but it's really a movement of God's people into their ministry and their dreams. We paint a picture of Kings who are naturally bold, creative, and decisive, who are being used to fulfill the great commission. God is going to use an entrepreneurial people to "bless the nations." You're invited!
