*Connecting Your Dream...  
With Your Destiny...*

*You'll Learn...* that marketplace ministry is the passion that starts when God connects your *job, business, ministry and life purpose into one package*. Entrepreneurs (like you) in your workplace or your home business bring a creative health to cash flow, co-workers and customers. Marketplace ministry begins with your dream or hobby; a desire that God put in your heart – *an entrepreneurial spirit that replaces that pay-check to pay-check mentality* with a new optimism, financial health, and a new ability to make others successful. This conference is a riveting roadmap to freedom from a poverty mentality. Releasing Kings will connect you with the favor God already has on your life...

Conference  
September 6, 7 & 8<sup>th</sup>**

# Keynote Speaker

*Harold R. Eberle*

While Pastoring a congregation in the northwestern United States, Harold R. Eberle had a visitation from God which convinced him that the Church will rise in glory, unity and maturity before the return of our Lord Jesus.

Mr. Eberle then began to speak and minister to the larger Body of Christ. Since 1986, he has been traveling and ministering at Christian gatherings, leadership conferences, and churches of many different doctrinal persuasions. He now is engaged in a worldwide teaching/prophetic ministry visiting many nations each year.

A prolific author, Mr. Eberle has written more than twenty books, several of which have been translated in other languages and distributed worldwide. Among his works, he has founded and oversees several Bible colleges in Africa. He has a goal of establishing fifty colleges in developing nations across the world.

His primary focus is upon preparing the Church for a mighty awakening. He is passionately in love with the Church and believes that God currently is fitly framing the people of God into a Temple in which He can dwell.

## In This Conference...

Your personal adventure will launch with a Biblical and practical *foundation. God is* moving in the *Marketplace!*
