I Corinthians 16:9 “For a great and effective door of ministry has opened for me and there are many adversaries”.

Dear Fellow Kings:

Leslie and I will be leaving for the Islamic Nation of Pakistan on November 12 for evangelistic campaigns and leadership training in Gujranwala and LaHore. Our evangelistic crusades will be reaching out to Moslems who have never heard the Gospel of Jesus Christ. We also feel strongly of God to provide leadership training for Pastors and Leaders so they may continue to reach Pakistan and the surrounding Moslem nations with the gospel. If you have seen the news recently, great turmoil, persecution and terrorism exist in Pakistan, at the same time a window of opportunity to preach the gospel has also opened.

*In September of 2005, Leslie and I preached the Gospel of Jesus Christ to Moslems in the cities of Gujrat, Okara and LaHore. As a result, 24,000 received Christ. In September 2006, we preached evangelistic campaigns in the cities of Shanti Nagar, Khanewal, Pottoki and Lahore where 30,000 received Christ. During the altar call, thousands of Muslims boldly stood to receive Christ and confess him as Lord and Savior. To attract Moslems to hear the Gospel, we advertise that Jesus is alive and he will heal the blind, deaf, sick and lame, so come and receive a miracle. Jesus has never disappointed us, but in every meeting we have preached his gospel, miracles of biblical proportion happen to these Muslims. In Okara alone, we saw a blind man receive his sight, a deaf mute receive his hearing and speech and a woman received her baby back from the dead. (Shown in the DVD) We display these miracles to the Moslems as proof that **Jesus Christ is Alive**. As a result of our meetings to date there have been 54,000 Muslims who received Christ. After the Campaigns, home churches are established to disciple and follow-up the new converts. We are working with Pastor Anwar Fazal whose focus is reaching the nation of Pakistan and the surrounding Islamic nations for Christ. Pakistan has never been riper for the harvest.*

*Would you please pray and ask God if he would have you share in reaping the harvest of souls through financing the gospel to this nation. The opportunity to reach more Pakistanis with the gospel exists and the need for finances to do so is also increasing. This trip, we will need \$50,000 for the expenses to hold these crusades in these cities. The money received will go strictly to the winning of the lost. (We must rent over 100 buses each night to bring people from villages to the crusade site.) We will go and God will supply the need, but please consider helping to send us there through Prayer and Financial support. During our last crusades in Pakistan, we saw one to two people saved for every dollar we spent.. **This is one of the greatest investments we can ever make (Philippians 4:17) and it will change lives for eternity.***

I am enclosing a ten minute DVD with portions of the 2005 & 2006 meetings we held in Pakistan to give you a picture of what God is doing there. Included are a few of the many miracles that God has performed in our gospel meetings including the healing of the blind, deaf, mute, lame and raising the dead.

We are in the process of establishing a tax exempt organization. In the interim, Faith Center Church is allowing us to collect donations for this trip and see that you get a receipt for a tax break. To receive a tax write off make your checks payable to “Faith Center Church”, but in the Memo write Pakistan Evangelism.

I know that God’s Number #1 Priority is reaching the Lost and in particular, those who have never heard the Gospel. Without Jesus Christ, many are are doomed for eternity, unless a Preacher is sent so they may hear and believe (Romans 10:13-15). I thank you in advance for your support and prayers.
