

Eternal Life International

Background:

Howard and Leslie have founded "Eternal Life International" to get the gospel to those who have never heard. Howard works as an Engineer for an Electric Utility and uses his vacations from work time to preach the Gospel to the un-reached populations in the world. We welcome all those who have a desire to fulfill the Great Commission to join with us to save the lost that are doomed for eternity without Christ.

In 2005, Leslie and Howard Ferris took their first trip to Pakistan. They had a great desire to preach the gospel to people who had never heard the gospel of Jesus Christ. They had been warned that it was very difficult for a Moslem to receive Jesus. The very first night when preaching to about 7,000 people Howard wondered if any one would respond to the simple gospel message. As he gave the altar call, approximately 6,900 people (mostly Moslems) stood to receive Jesus Christ for the first time. Since that time they have held 10 Evangelistic Crusades in Pakistan during which about 72,000 have received Jesus as their Lord. Their latest crusade in November 2007 was held while the Nation was experiencing riots, suicide bombings and was under Marshall Law. Public meetings were banned and yet God gave supernatural favor to hold crusades during this time. Of the four days of evangelistic meetings that were held, the fewest attending were about 6,000 and the largest about 18,000. Thousands were saved and hundreds received miracles of Biblical Proportion.

2008 Schedule:

- In **February** we went to Costa Rica and spoke at Rhea Bible School in San Jose to train those Costa Rican students in how to preach the gospel with miracles signs and wonders. We held some healing meetings in Puntarenas and Quepos in preparation for a three city crusade we will be holding in November.
- On **April 26**, we will be holding training on how to share the Gospel with Miracles, Signs & Wonders at Faith Center Church in Vancouver, Wa.
- On **May 17-31** we will be holding two crusades on Mindanao, the southern island of the Philippines which has a large Muslim population.
- In **September** we will return to Pakistan to hold crusades in cities yet to be determined. (Because of terrorist activity and civil unrest, schedules are subject to change).
- In **November** we will be holding a crusade to reach the cities of Puntarenas, Esparza and Barranca on the Pacific Coast of Costa Rica. Costa Rica is where we take other Americans with us to train them in preaching the gospel with Miracles, Signs and Wonders.
