# God is releasing Kings that share his own heart - You're called too

**There is a bridge between your heart's desires and God's plan to build the Kingdom!**

The marriage of personal dreams with God's purpose launches an adventure more exciting and fulfilling than we ever imagined. Now, envision yourself with a group of likeminded people discovering and embracing their unique call to make a difference in their workplace. The "Releasing Kings" conference in Sebring will take your vision for ministry into the marketplace.

John Garfield and David Harris will challenge limiting worldviews and mindsets, and release personal encouragement.

**Our Goal?** That God himself will give you his answers to this important question...

"How would you feel, what would think about, and what would you do today, if one of your own heart's desires were an assignment from God."

**Kings**" is the term we use to describe entrepreneurial men and women who harness wealth and influence in the marketplace... in business, government, finance, the arts... to "bless the Nations." *Releasing Kings* and *Desire to Destiny* are the titles of our books – but it's really a movement of God's people into their ministry and their dreams. We paint a picture of Kings who are naturally bold, creative, and decisive, who are being used to fulfill the great commission. God is going to use an entrepreneurial people to "bless the nations."

**You're invited!**

## What others are saying

The weekend was an amazing time for us. Thank you for your love and ministry.

We appreciate your heart to help. We definitely will be following up in this area as we do sense that you are right on time with what you are carrying and releasing. Ways in which we can implement this further can be in our church body East Gate/ Global as well as our Supernatural Training Center for the ministry students as well as other potentials. We are excited about further developing our Kingdom relationship in the days ahead!
